

Dear Participants,

We are thrilled to invite you to the Second Round Lean Six Sigma Green Belt (LSSGB) Workshop, scheduled for April 13, 20, 27, 2024. Following the positive feedback and requests from our previous LSSGB Workshop, we are excited to continue providing high-quality training in LSSGB methodologies.

Your valuable insights and constructive suggestions from the previous workshop have inspired us to enhance our training further. To learn more about our Lean Six Sigma best practices and review information from the first round LSSGB Workshop, please visit our website using the following link:

<https://www.ie.uh.edu/graduate/degree-programs/memgmt/lean-six-sigma>

Building on the success of our previous workshop, the Second Round LSSGB Workshop aims to further develop your knowledge and skills in process improvement and optimization. We are committed to delivering an engaging, hands-on, project-driven, and interactive learning experience that equips you with practical tools and strategies to drive continuous improvement in your career and within your organizations.

The workshop will be held from April 13th to April 27th, 2024, from 8:00 AM to 5:00 PM, spanning three days. The venue and room requirements are as follows:

- Date: April 13, 20, 27, 2024
- Room: TBD
- Time: 8:00 AM – 5:00 PM
- Duration: 3 Days

For those of you who have previously signed up, please kindly proceed with the payment through the provided link for proper registration.

Your encouragement and requests serve as our motivation to provide you with the best possible learning experience, combining theory and best practices to advance your career.

We look forward to your active participation in the Second Round Lean Six Sigma Workshop.

Best regards,

Matthew Hu, PhD, MBB
